## STRUCTURE STABILITY CERTIFICATE

I personally inspected P.S.M Public School, Pratap Vihar, Kirari Extension, Delhi-110086 on 04.05.2021. The school is a rectangular shaped Ground + first +second storied building consisting of administrative block and classes on ground floor and classrooms on the first and second floor of the building.

This structure is based on load bearing bricks walls and R.C.C column, beam and roof slab. There were no structural cracks visible.

The structure is presently in good condition and is safe & sound for school purpose.

No structural changes should be done in the complete block structure without the advice & supervision of an engineer.
